**SHIPPER'S CERTIFICATION FOR LIVE ANIMALS**

(To Be Completed In Duplicate)

This is to certify that (check appropriate box):

In addition to having completed all advance arrangements, this consignment is properly described and packed, and is in proper condition for carriage by air according to the current edition of the IATA Live Animals Regulations and all applicable carrier and governmental regulations. The animal(s) of this consignment is (are) in good health and condition.

Animals taken from the wild for shipment have been appropriately acclimatized.

This consignment does not include Appendix I species as described in the Convention on International Trade in Endangered Species of Wild Fauna and Flora or in other applicable national legislations. Applicable permits and/or certificates are attached to the air waybill.

The endangered species contained in this consignment can be legally carried and imported into the country of ultimate destination and through the transit countries en route.

The shipper accepts that carriers will not be liable for any loss, damage or expense arising from death due to natural causes, or death or injury of any animal caused by the conduct or acts of the live animal itself or of other animals, such as biting, kicking, goring or smothering, nor for that caused or contributed to by the conditions, nature or propensities of the animal(s). In no event will carrier be liable for death or injury to an animal attendant caused or contributed to by the condition, conduct or acts of an animal(s).

Number of Packages	Specific Container Requirement Number (See IATA Live Animals Regulations)	Species Information	
		Name	Microchip #
